55B NewQuay Prom, Docklands

Livebait is proud to announce its involvement with Camp Quality's "Chandon Supper Club"

On **May 15th** Livebait hosted an exclusive dinner for 12 overlooking the water, providing a culinary delight matched with fine wine for Chandon Supper Club guests. \$3600 was raised for Camp Quality.

The hottest ticket on the social calendar - The Chandon Supper Club helps to raise much needed funds for Camp Quality to support children living with cancer.

Happy medium photography was on hand to take photos of the specials guests at Livebait.

Following the dinner, luxury vehicles sponsored by Lexus whisked guests away from all participating Melbourne Restaurants to a "sparkling" after party at a secret location, where they joined hundreds of fellow Supper Clubbers to mingle, dance and share stories.

Through the generosity of restaurants, caterers, venues and hosts in each city Camp Quality aim to raise \$1 million in 2008 from the Chandon Supper Club nationally. This money will help send up to 2,000 children living with cancer on a camp where they will have the opportunity to have the time of their lives, forget about their illness and concentrate on being a child again.
