55B NewQuay Prom, Docklands

Livebait is proud to announce its involvement with Camp Quality's "Chandon Supper Club"

On **May 15th** Livebait will host an exclusive dinner for 12 overlooking the water, providing a culinary delight matched with fine wine for Chandon Supper Club guests.

The hottest ticket on the social calendar - The Chandon Supper Club helps to raise much needed funds for Camp Quality to support children living with cancer.

Happy medium photography will be on hand to take photos of the special guests at Livebait.

Following the dinner, luxury vehicles sponsored by Lexus will whisk guests away from all participating Melbourne Restaurants to a "sparkling" after party at a secret location, where they will join hundreds of fellow Supper Clubbers to mingle, dance and share stories over a glass of Chandon.
